This Global Delivery Partner Agreement ("Agreement") is entered into between:

1. THINKATIC

Thinkatic (Healweal LLC), a company incorporated under applicable laws, having its registered office at:
[Thinkatic Registered Office Address]
Website: www.thinkatic.com | Email: thinkaticai@gmail.com
hereinafter referred to as "Thinkatic," "Company," "Principal," "we," "us," or "our."

AND

2. GLOBAL DELIVERY PARTNER

Legal Name: [Partner Company Legal Name]
Business/Trade Name: [Name]
Registration No.: [Registration Number]
Registered Address: [Address]
Authorized Representative: [Name]
Designation: [Designation]
Email: [Email]
Phone: [Phone]
hereinafter referred to as "Partner," "Global Delivery Partner," "GDP," "you," or "your."

Thinkatic and the Partner are individually referred to as a "Party" and collectively as the "Parties."

3. PURPOSE OF THE AGREEMENT

Thinkatic operates a global technology and business-services ecosystem that may source, manage, coordinate and deliver business processes, customer-support processes, sales processes, AI-enabled services, IT services and other outsourced business operations for clients.

The Partner operates a BPO/call-center/service-delivery organization capable of providing trained personnel, infrastructure, management and operational resources.

Thinkatic appoints the Partner as a Global Delivery Partner, subject to the terms of this Agreement, for the delivery of projects and processes allocated by Thinkatic.

The relationship is designed to allow:

- Thinkatic to source and manage client projects;
- Thinkatic to allocate approved processes to Partners;
- Partners to provide operational delivery capacity;
- Partners to manage agents and day-to-day center operations;
- Thinkatic to monitor quality, compliance and performance;
- Clients to receive standardized and measurable service delivery.

3A. TERM OF AGREEMENT

This Agreement shall commence on the Effective Date and shall remain valid for a period of 11 (Eleven) months, unless terminated earlier in accordance with the provisions of this Agreement. The Parties may, by mutual written consent, renew or extend this Agreement for a further term on the same or revised terms.

4. NATURE OF APPOINTMENT

4.1 Thinkatic may appoint the Partner as a Global Delivery Partner for specific projects, processes, campaigns, geographies, languages, shifts or service categories. 4.2 Appointment does not guarantee any minimum volume of business, number of projects, number of agents, revenue or earnings. 4.3 Thinkatic may allocate projects based on:

- Client requirements;
- Partner capacity;
- Agent availability;
- Historical performance;
- Quality scores;
- Compliance;
- Geographic requirements;
- Language capability;
- Process experience;
- Infrastructure;
- Security requirements;
- Client approval.

4.4 The Partner shall only represent itself as a Global Delivery Partner of Thinkatic while this Agreement remains active. 4.5 The Partner shall not represent itself as an employee, subsidiary, shareholder, legal representative or agent of Thinkatic.

5. GLOBAL DELIVERY PARTNER STATUS

Upon successful onboarding, Thinkatic may issue the Partner:

- Partner ID;
- Center ID;
- Portal credentials;
- Project access;
- Process credentials;
- Authorized Partner Certificate;
- Partner identification materials.

The Partner may use the designation: "Thinkatic Global Delivery Partner" only for legitimate business purposes and only in accordance with Thinkatic branding guidelines.

Thinkatic may revoke the authorization at any time in accordance with this Agreement.

6. SCOPE OF SERVICES

The Partner may be authorized to provide one or more of the following services:

6.1 Customer Support

- Inbound customer support;
- Outbound customer support;
- Email support;
- Chat support;
- Voice support;
- Back-office support.

6.2 Sales

- Outbound sales;

- Lead qualification;
- Appointment setting;
- Tele-sales;
- Upselling/cross-selling;
- Customer retention.

6.3 Business Process Outsourcing

- Data processing;
- Back-office operations;
- Verification;
- Documentation;
- Customer onboarding;
- Administrative support.

6.4 AI & Technology Delivery Where separately authorized:

- AI development support;
- AI data operations;
- Annotation;
- AI-assisted customer operations;
- Software/technology support.

6.5 Other Services Thinkatic may introduce additional processes or services through written project documentation, work orders, portal instructions or process-specific agreements.

7. PROJECT ALLOCATION

7.1 Thinkatic may provide project information through:

- Partner Portal;
- Email;
- Project document;
- Work Order;
- Statement of Work ("SOW");
- Process document;
- Official communication channel.

7.2 Each project may specify:

- Client/project name;
- Process;
- Country;
- Campaign;
- Required headcount;
- Agent profile;
- Working hours;
- Shift;
- Language;
- Training requirements;
- Compensation model;
- Billing model;
- KPIs;

- SLA;
- Quality requirements;
- Compliance requirements;
- Start date;
- Expected duration.

7.3 A Partner may accept or reject a project based on its available capacity. 7.4 Once a project is accepted, the Partner shall provide the agreed capacity unless otherwise approved by Thinkatic.

8. THINKATIC RESPONSIBILITIES

Subject to the specific project, Thinkatic may provide:

8.1 Client Acquisition Thinkatic may identify and acquire clients and projects.

8.2 Process Allocation Thinkatic may allocate suitable projects to approved Partners.

8.3 Process Documentation Thinkatic may provide:

- Process documentation;
- Scripts;
- SOPs;
- Training material;
- Client instructions;
- Quality standards;
- Compliance requirements.

8.4 Technology Where applicable, Thinkatic may provide or coordinate:

- Partner portal;
- CRM;
- Dialer;
- Calling infrastructure;
- Data;
- Reporting tools;
- Ticketing systems;
- Communication tools;
- APIs;
- Project-management systems.

The exact technology provided will depend on the project.

8.5 Training Thinkatic or the Client may provide initial process training where agreed.

8.6 Monitoring Thinkatic may monitor:

- Productivity;
- Attendance;
- Quality;
- Compliance;
- Sales;
- Customer satisfaction;
- SLA;
- Agent performance;
- Project delivery.

9. PARTNER RESPONSIBILITIES

The Partner shall be responsible for providing and maintaining adequate operational capacity. The Partner shall:

- Maintain a legitimate and operational business entity.
- Maintain a suitable office/call-center facility where required.
- Provide required workstations.
- Provide reliable internet connectivity.
- Provide required computers and peripherals.
- Provide backup power where necessary.
- Recruit and maintain suitable agents.
- Maintain supervisors/team leaders.
- Maintain operations management.
- Ensure agent attendance.
- Ensure agent training.
- Follow Thinkatic/client SOPs.
- Meet applicable KPIs and SLAs.
- Protect Thinkatic and client information.
- Maintain operational discipline.
- Immediately report major incidents.
- Maintain required licenses and registrations.
- Follow applicable employment and labor laws.
- Follow applicable data protection and privacy requirements.
- Cooperate with Thinkatic audits and quality checks.

10. ZERO UPFRONT / SETUP FEE

Thinkatic shall not charge the Global Delivery Partner any upfront onboarding or setup fee for becoming a Global Delivery Partner under this Agreement.

However, the Partner remains responsible for its own:

- Office;
- Employees;
- Salaries;
- Internet;
- Electricity;
- Equipment;
- Software not provided by Thinkatic;
- Statutory obligations;
- Taxes;
- Operational expenses.

Nothing in this clause requires Thinkatic to reimburse the Partner for operational expenses unless expressly agreed in writing.

11. AGENT REQUIREMENTS

The Partner shall recruit agents who meet the requirements specified for each project. Where required, agents must possess:

- Appropriate language proficiency;
- Communication skills;
- Relevant process experience;
- Required technical skills;
- Appropriate work authorization;
- Required background verification;
- Required training completion.

Thinkatic may reject or require replacement of personnel who fail project requirements.

12. AGENT MANAGEMENT

The Partner shall remain responsible for the day-to-day management of its personnel. The Partner shall be responsible for:

- Attendance;
- Leave management;
- Payroll;
- Performance management;
- Discipline;
- Training;
- Recruitment;
- Termination;
- Statutory employment obligations.

Unless separately agreed, Thinkatic shall not become the employer of Partner personnel.

13. CLIENT CONFIDENTIALITY

The Partner acknowledges that it may receive confidential information belonging to Thinkatic and/or Thinkatic's clients. Confidential Information may include:

- Client names;
- Customer information;
- Phone numbers;
- Email addresses;
- Scripts;
- Pricing;
- Sales information;
- Business plans;
- Process documentation;
- Software;
- Credentials;
- APIs;
- Databases;
- Customer records;
- Technical information;
- Financial information;
- Trade secrets.

The Partner shall:

- Use Confidential Information only for authorized project delivery.
- Not sell or disclose Confidential Information.
- Not copy data unnecessarily.
- Not transfer data to unauthorized persons.
- Not use client information for independent business development.
- Not contact clients outside authorized channels.
- Immediately report suspected unauthorized access.

14. DATA PROTECTION

The Partner shall implement reasonable technical and organizational safeguards to protect personal and confidential information. At minimum, the Partner shall:

- Restrict system access;
- Use individual credentials;
- Prevent credential sharing;
- Maintain appropriate access controls;
- Secure workstations;
- Prevent unauthorized recording;
- Prevent unauthorized screenshots/downloads where prohibited;
- Maintain secure network access;
- Follow client data-handling requirements;
- Immediately report security incidents.

Where required by the applicable project, the Partner shall sign a separate Data Processing Agreement.

15. PROHIBITED DATA ACTIVITIES

Unless expressly authorized, the Partner and its personnel shall not:

- Download client databases;
- Sell customer data;
- Share customer data;
- Copy customer lists;
- Use customer information for another campaign;
- Contact customers outside the assigned process;
- Upload client data to unauthorized AI tools;
- Store client information on personal devices;
- Transfer data through unauthorized messaging applications;
- Share passwords or credentials.

Any serious data-security violation may result in immediate suspension.

16. CLIENT NON-CIRCUMVENTION

During the term of this Agreement and for 12 months following termination, the Partner shall not knowingly circumvent Thinkatic to independently contract with a Thinkatic-introduced client for substantially similar services without Thinkatic's written consent, to the extent permitted by applicable law.

This restriction applies to clients introduced to the Partner through Thinkatic.

Nothing in this clause restricts relationships that the Partner can demonstrate existed independently before Thinkatic's introduction.

17. CLIENT COMMUNICATION

The Partner shall not directly negotiate:

- Pricing;
- Commercial terms;
- Contract terms;
- Project scope;
- Payment terms;
- Client expansion;
- Contract renewal;

with a Thinkatic client unless expressly authorized by Thinkatic. Operational communication may occur where required for project delivery.

18. BRANDING AND INTELLECTUAL PROPERTY

Thinkatic retains all rights in:

- Thinkatic name;
- Thinkatic logo;
- Thinkatic trademarks;
- Portal;
- Software;
- Documentation;
- Processes;
- Proprietary materials;
- Website;
- Technology.

The Partner receives a limited, revocable and non-exclusive right to use approved Thinkatic branding solely for authorized partnership activities. The Partner shall not:

- Register Thinkatic trademarks;
- Create confusingly similar branding;
- Claim ownership of Thinkatic intellectual property;
- Modify Thinkatic branding without approval;
- Represent itself as Thinkatic.

19. PERFORMANCE REQUIREMENTS

Each project may have specific KPIs. The actual KPI requirements shall be determined by the relevant project.

KPI	Example Requirement
Attendance	≥ 95%
Login adherence	≥ 95%
Quality	≥ 85%

SLA	As specified per project
Productivity	Process-specific
Conversion	Process-specific
Customer satisfaction	Process-specific
Compliance	100% critical compliance
Attrition	Project-specific

20. QUALITY ASSURANCE

Thinkatic may conduct:

- Call audits;
- Screen audits;
- Quality audits;
- Process audits;
- Compliance audits;
- Performance reviews;
- Agent assessments;
- Documentation reviews.

The Partner shall cooperate with reasonable quality-assurance activities. Thinkatic may require a corrective action plan where performance falls below the applicable standard.

21. TRAINING

The Partner shall ensure that personnel complete required training before handling live customer interactions. Training may include:

- Product training;
- Process training;
- Script training;
- Compliance;
- Data protection;
- System training;
- Sales training;
- Quality requirements.

Agents may be denied production access until required training is completed.

22. BILLING AND COMMERCIAL TERMS

Commercial terms shall be defined separately for each project. Possible commercial structures include:

- Per Agent — Thinkatic pays based on approved active agents/FTEs.
- Per Hour — Payment is calculated according to approved productive hours.
- Per Transaction — Payment is based on completed transactions.
- Per Lead — Payment is based on qualified leads.
- Commission — Payment is based on successful sales/conversions.

- Hybrid — A combination of fixed and performance-based compensation.

The applicable model shall be specified in the Project Order.

22.1 Thinkatic Royalty

In consideration of client acquisition, brand licensing, technology, process management, quality oversight and platform support provided by Thinkatic, the Partner agrees that Thinkatic shall retain a royalty of 25% (twenty-five percent) of the gross billing/revenue generated from each project allocated under this Agreement, unless a different percentage is expressly specified in the applicable Project Order. The balance of the gross billing/revenue shall be payable to the Partner in accordance with the agreed commercial model and payment terms.

23. PAYMENT

Unless otherwise stated in the Project Order:

- Partner invoices shall be submitted according to the agreed billing cycle.
- Thinkatic may verify performance before approving invoices.
- Disputed amounts may be placed on hold until reconciliation.
- Undisputed amounts shall be processed according to the agreed payment terms, net of the royalty specified in Clause 22.1.
- The Partner shall be responsible for applicable taxes arising from its income.

Payment shall not be deemed acceptance of inaccurate performance reporting.

24. TIMESHEETS AND REPORTING

The Partner shall maintain accurate records relating to:

- Agent attendance;
- Login/logout;
- Productive hours;
- Calls;
- Sales;
- Leads;
- Quality;
- Training;
- Attrition;
- Complaints;
- Incidents.

Thinkatic may require daily, weekly or monthly reporting. False reporting may constitute a material breach of this Agreement.

25. FRAUD AND MISCONDUCT

The following may constitute serious violations:

- Fake calls;
- Fake leads;
- Fake sales;
- Manipulated reports;
- Attendance fraud;
- Credential sharing;

- Customer-data theft;
- Unauthorized recordings;
- Misrepresentation;
- Bribery;
- Financial fraud;
- Unauthorized client contact;
- Circumvention;
- Deliberate system manipulation.

Thinkatic may suspend project access while investigating suspected misconduct.

26. AUDIT RIGHTS

Thinkatic may reasonably audit the Partner's compliance with:

- Project requirements;
- Data-security standards;
- Operational requirements;
- KPI reporting;
- Agent capacity;
- Infrastructure;
- Compliance requirements.

Where a serious security or fraud issue is suspected, Thinkatic may conduct an urgent audit or request immediate evidence.

27. SECURITY INCIDENT

The Partner shall notify Thinkatic promptly after becoming aware of:

- Data breach;
- Unauthorized access;
- Lost credentials;
- Malware;
- Unauthorized download;
- Customer-data disclosure;
- System compromise;
- Fraud;
- Material operational disruption.

The Partner shall cooperate with investigation and remediation.

28. BUSINESS CONTINUITY

The Partner shall maintain reasonable contingency arrangements for:

- Internet failure;
- Power outage;
- Hardware failure;
- Staff shortage;
- Local disruption;
- Cybersecurity incidents;

- Other material operational interruptions.

Where required by a client project, specific Business Continuity and Disaster Recovery standards may apply.

29. SUBCONTRACTING

The Partner shall not subcontract or transfer project delivery to another call center, BPO or third party without Thinkatic's prior written approval. Approved subcontractors may be required to sign separate agreements. The Partner remains responsible for the performance and conduct of approved subcontractors unless otherwise agreed.

30. EXCLUSIVITY

Unless expressly agreed in writing, this Agreement is non-exclusive. The Partner may provide services to other companies provided that:

- There is no conflict of interest;
- Thinkatic/client confidential information is protected;
- Thinkatic resources are not misused;
- Client non-circumvention obligations are respected;
- The Partner can meet its Thinkatic project commitments.

31. CONFLICT OF INTEREST

The Partner shall promptly disclose any actual or potential conflict of interest that could affect project delivery. Thinkatic may impose reasonable controls where a conflict exists.

32. COMPLIANCE WITH LAW

Each Party shall comply with laws applicable to its activities. The Partner shall maintain any licenses, registrations, permissions and employment compliance required for its operations. Where projects involve international customers, the Partner shall comply with applicable project-specific legal and compliance requirements communicated by Thinkatic.

33. ANTI-BRIBERY

Neither Party shall offer, solicit or accept improper payments, kickbacks or benefits in connection with the partnership. The Partner shall immediately report suspected bribery or corruption relating to a Thinkatic project.

34. INSURANCE

Where reasonably required based on the project, the Partner shall maintain appropriate insurance coverage, including applicable:

- Business insurance;
- Employee-related coverage;
- Professional liability;
- Cyber/data protection coverage;
- Other project-specific insurance.

Specific requirements may be included in a Project Order.

35. INDEPENDENT CONTRACTOR

The Parties are independent contractors. Nothing in this Agreement creates:

- Employer-employee relationship;
- Joint venture;
- Franchise;
- Partnership;
- Agency;
- Fiduciary relationship.

Neither Party may bind the other unless expressly authorized.

36. CONFIDENTIALITY PERIOD

Confidentiality obligations shall continue during the Agreement and for 3 years after termination. Trade secrets and information that remains legally protected shall remain protected for as long as required by applicable law.

37. SUSPENSION

Thinkatic may temporarily suspend a Partner's:

- Portal access;
- Project access;
- Center ID;
- Agent access;
- Client access;
- Data access;

where reasonably necessary due to:

- Security concerns;
- Performance failure;
- Compliance concerns;
- Fraud investigation;
- Client instruction;
- Material breach;
- Operational risk.

38. TERMINATION BY THINKATIC

Thinkatic may terminate this Agreement immediately or with notice where permitted by law if the Partner:

- Commits a material breach;
- Engages in fraud;
- Misuses client data;
- Circumvents Thinkatic;
- Misrepresents Thinkatic;
- Repeatedly fails KPIs;
- Violates confidentiality;
- Engages in unlawful conduct;
- Becomes insolvent;

- Abandons a project;
- Causes material client harm.

For non-material breaches, Thinkatic may provide a reasonable cure period.

39. TERMINATION BY PARTNER

This Agreement is entered into for a fixed term of 11 (Eleven) months as set out in Clause 3A. The Partner may otherwise terminate this Agreement by providing 30 days' written notice, unless a specific project requires a different notice period. The Partner shall continue performing accepted project obligations during the notice period unless Thinkatic instructs otherwise.

40. EFFECT OF TERMINATION

Upon termination, the Partner shall:

- Stop representing itself as a Thinkatic Global Delivery Partner.
- Return or securely destroy confidential information.
- Disable unauthorized access.
- Return Thinkatic equipment, if applicable.
- Complete outstanding approved work where instructed.
- Submit final billing.
- Cooperate with transition.
- Remove Thinkatic branding where required.

Termination does not affect accrued payment obligations or provisions intended to survive termination.

41. LIMITATION OF LIABILITY

To the maximum extent permitted by applicable law, neither Party shall be liable for indirect, incidental, special or consequential damages arising from this Agreement. Any project-specific liability limits shall be specified in the applicable Project Order. Nothing in this Agreement excludes liability that cannot legally be excluded.

42. INDEMNIFICATION

The Partner shall indemnify and hold harmless Thinkatic, its affiliates and their respective officers, employees and representatives from claims, losses, penalties, damages and reasonable expenses arising from:

- Partner's breach of this Agreement;
- Partner negligence or misconduct;
- Employment claims relating to Partner personnel;
- Unauthorized data disclosure;
- Fraud by Partner personnel;
- Violation of applicable law;
- Unauthorized use of Thinkatic intellectual property;
- Unauthorized client representation.

This clause shall be subject to applicable law and any agreed liability limitations.

43. FORCE MAJEURE

Neither Party shall be liable for failure caused by events beyond reasonable control, including:

- Natural disasters;
- War;
- Government restrictions;
- Major telecommunications failures;
- Widespread cyber incidents;
- Pandemics;
- Civil disturbances;
- Other qualifying force majeure events.

The affected Party shall notify the other Party as reasonably practicable.

44. DISPUTE RESOLUTION

The Parties shall first attempt to resolve disputes through good-faith management discussions. If unresolved, the dispute may be escalated to designated senior representatives of both Parties. If still unresolved, the dispute shall be subject to the dispute-resolution mechanism specified below:

Jurisdiction: [Pune, Maharashtra, India] Courts: [Courts having appropriate jurisdiction at Pune] Arbitration: [Yes/No] Seat of Arbitration: [Pune, Maharashtra, India] Number of Arbitrators: [One/Three] Language: English

The final clause should be reviewed and customized by legal counsel before execution.

45. NOTICES

Official notices shall be sent to the email addresses and addresses specified in this Agreement.

Thinkatic Email: thinkaticai@gmail.com Website: www.thinkatic.com Address: [Thinkatic Registered Office Address]

Partner Email: [Partner Email] Address: [Partner Registered Address]

A Party shall promptly notify the other Party of changes to its contact information.

46. ASSIGNMENT

The Partner shall not assign or transfer this Agreement or a Thinkatic project without Thinkatic's prior written consent. Thinkatic may assign this Agreement to an affiliate, successor or acquiring entity where legally permitted.

47. AMENDMENTS

Changes to this Agreement must be made in writing and approved by authorized representatives of both Parties unless a provision expressly permits Thinkatic to update operational policies. Project-specific requirements may be changed through an updated Project Order or SOW.

48. ENTIRE AGREEMENT

This Agreement, together with:

- Project Orders;
- SOWs;
- Data Processing Agreements;
- Confidentiality Agreements;
- Commercial Schedules;
- Thinkatic Partner Policies;

constitutes the agreement between the Parties regarding the Partner relationship. If there is a conflict, the Parties shall determine precedence according to the applicable document hierarchy specified in the relevant Project Order.

49. SEVERABILITY

If any provision is determined to be invalid or unenforceable, the remaining provisions shall continue to the extent permitted by law.

50. WAIVER

Failure to enforce a provision shall not constitute a waiver of the right to enforce that provision later.

51. ELECTRONIC ACCEPTANCE

The Parties agree that this Agreement may be accepted electronically through:

- Digital signature;
- Electronic signature platform;
- Partner Portal;
- Authorized email confirmation;

where legally valid. Electronic acceptance shall have the same contractual intent as a physical signature to the extent permitted by applicable law.

52. PARTNER ONBOARDING REQUIREMENTS

Before receiving live project access, the Partner may be required to submit:

Company Documents

- Certificate of Incorporation/Registration;
- PAN;
- GST registration, where applicable;
- Business address proof;
- Bank details;
- Authorized signatory details.

Center Documents

- Office photographs;
- Address proof;

- Recruitment capability.

Compliance

- Signed agreement;
- NDA;
- Data-security declaration;
- Compliance declaration;
- Any project-specific documents.

Thinkatic may request additional documents depending on client requirements.

53. PARTNER CENTER ID

Upon approval, Thinkatic may issue a unique Center ID. Example: THK-CENTER-XXXX

The Center ID may be used to:

- Access the Partner Portal;
- View allocated projects;
- Manage center information;
- View agent capacity;
- Monitor project status;
- Access approved resources;
- Submit reports;
- Track performance;
- Manage authorized users.

The Partner shall not share its Center ID credentials.

54. PARTNER PORTAL

The Thinkatic Partner Portal may provide functionality including:

- Center dashboard;
- Project dashboard;
- Agent management;
- Capacity management;
- Attendance;
- Performance;
- Reports;
- Documents;
- Training;
- Announcements;
- Billing;
- Support;
- Compliance;

- Tickets.

Thinkatic may add, modify or discontinue portal functionality as the platform evolves.

55. ESCALATION MATRIX

The Partner shall maintain an up-to-date escalation matrix.

Level 1 — Operations Name: [Name] Phone: [Number] Email: [Email]

Level 2 — Center Management Name: [Name] Phone: [Number] Email: [Email]

Level 3 — Partner Management Name: [Name] Phone: [Number] Email: [Email]

Thinkatic may provide its own escalation matrix for each project.

56. PROJECT ORDER

Each project should be documented using the following minimum information: Project Name, Client Name/Code, Country, Process, Type (Inbound/Outbound/Back Office/etc.), Required Agents, Shift, Language, Training Date, Go-Live Date, Commercial Model, Rate, Payment Terms, KPI, SLA and Special Requirements.

57. PARTNER ACKNOWLEDGEMENT

By signing this Agreement, the Partner confirms that:

- It has read and understood this Agreement.
- It has authority to enter into the Agreement.
- The information provided during onboarding is accurate.
- It will maintain sufficient operational capacity.
- It will comply with Thinkatic and client requirements.
- It will protect confidential and personal information.
- It will not misuse Thinkatic's brand or intellectual property.
- It will not circumvent Thinkatic's client relationships.
- It will maintain professional conduct.
- It understands that project allocation is not guaranteed.
